## KAAPA COOP MEMBERSHIP APPLICATION FORM

Kearney Area Ag Producers Alliance (KAAPA) is proud to recognize that it is the single farmer who is the initial link in the value chain of agriculture. Yet, KAAPA also recognizes that as an ag alliance it can use the collective strength, wisdom, and resources of its membership to more successfully develop the opportunities of the future and move producers further up the value chain.

KAAPA is a farmer owned cooperative with over 500 members located throughout Nebraska and bordering states, whose agricultural operations encompass nearly a million acres of farm ground.

Please Check the appropriate box.
